**Summary including concerns/issues/discussions:**

The meeting started at 7:05 PM. A sign in sheet was circulated (copy attached). A motion was made by Joann and seconded by Erin to approve the minutes of March 15 and April 19, 2006. The motion passed unanimously.

Mr. Jeffers lead a discussion of FCAT scores received earlier in the week.

Overall FCAT results:

- Writing and math scores were way up
- Scores were flat for 9<sup>th</sup> grade reading and down 1 point in 9<sup>th</sup> grade math
- Trends are showing increases in level 4s and 5s.
- Trends are showing a decrease in level 1s

Initial analysis suggest:

- Remedial efforts started 2 years ago have been successful
- Trends are continuing in the right direction
- Improvements can and need to be made "in the middle"
- Additional emphasis needs to be placed on honors programs

Mrs. Louden discussed revisions related to the 2006-07 Student Learning Plan. The major goal will be the implementation of the 9<sup>th</sup> Grade Academy. This concept is being developed by administration and instructional staff with input from the SAC. The academy will ease the transition from middle to high school by providing core classes for freshman with dedicated staff at a dedicated location on campus (school within a school). Staff will continue to meet over the summer to plan implementation.

Mr. Jeffers informed the committee that seniors received over \$600,000 in scholarships which was a \$100,000 increase over last year.

The meeting was adjourned around 8:00PM
